Your New Base Camp : Frost Creek's Clubhouse and Restaurant

Nestled in Eagle, CO's prestigious Hunters View community at Frost Creek, this meticulously designed Roosevelt model home features 4 bedrooms, 3.5 bathrooms, and multiple custom upscale features.

The gourmet kitchen features premier Wolf Sub-Zero appliances and a wet bar, catering to entertainers and culinary enthusiasts.

The main floor master bedroom, with custom-painted walls, offers a sanctuary for relaxation. Upstairs is a versatile den alongside a second master bedroom with an ensuite bath and spacious walk-in closet. Two additional bedrooms share a well-appointed bathroom with designer wallpaper.

Outdoor living is enriched by an oversized heated 2-car garage, invisible fence, and large custom dog run. Colorado flagstone accents adorn the front porch and steps, surrounded by extensive landscaping and lighting. Relax in the extra-large built-in spa/hot tub, accompanied by a gas firepit and mounted outdoor speakers.

This property caters to primary and secondary homeowners seeking to embrace the lifestyle of Frost Creek and the surrounding wilderness.

****Home is being sold Unfurnished, however, most furnishings are available for purchase.***
